# KCS Summer Sports

The Keswick Christian School Summer Sports Camps are a focus on the fundamentals. Success in sport and in life requires a solid foundation and that is the objective of each of our camps. We want to provide the opportunity to have fun playing a sport, while developing in the skills that are necessary to become a quality player.

Camps are offered in Baseball, Basketball, Football, Soccer and Volleyball. All camps are directed by the coaching staff of KCS with the exception of one new basketball camp that will feature Coach Amber Jacobs. Coach Jacobs is a former WNBA player and a current college coach that will be directing these 3 day camps.

All camps are open to both boys and girls and are open to both Keswick and non-Keswick students.

There are specialty camps offered in baseball, basketball and volleyball. The Baseball Skills and Hitting camps are for the high school athlete that wants to work on developing specific skills in baseball. The basketball Shooting camp will break down the skill of shooting. Footwork to follow through will be analyzed and practiced. The Volleyball Hitting Camp will be 3 days of breaking down the skill of attacking. Footwork to armswing will be covered and drilled. The Setting Camp will cover the skill of setting from basic footwork to more advanced techniques.

The Skills Camps for each sport will consist of demonstrations and explanations of the fundamental skills, followed by ample opportunity to practice through drills and game like situations. The last portion of each camp day will be games to allow players to practice the skills they have learned in an actual game. The JH Basketball Camp day will feature skill and drill work all morning, with games beginning after lunch.

Each camp will be developed with an underlying theme of sportsmanship, positive attitude and developing a quality work ethic.
