We, at Rainbow Catering Co. are honored to partner with Keswick Christian School again this year by servicing the lunch program for your children. We are a 25 year old, locally- run, and family- owned business (and former Keswick parents), which specializes in private school lunch programs. Our goal is to provide nutritious and tasty meals at an affordable cost, and do not serve any fried products or use foods with trans fats.

Daily we provide both hot and cold meal lunch options and varied meal sizes, all which **include a main entrée with sides and drink choice.** We will not be selling the hot or cold entrees alone, **only meal options.** We also have available daily a variety of *a-la-carte* food and drink items to supplement your child's lunch needs. View the monthly menu which is available for you on Keswick's school website and weekly will be updated via the weekly newsletter.

Payments:

This year we are eliminating the cash option for daily meal purchases. Cash will only be accepted for snack or additional items. You will have several purchasing options in order to purchase meals:

- You can send in cash in designated envelope *via the cafeteria* which we will utilize to set up in account for your child's future purchases.
- You can send in a check made out to Rainbow Catering Co. via the *elementary office* in specially designated envelopes, which we will set up an account for your child's future lunch purchases.
- You can **pay online** through our Pay Pal account, which will then set up an account for your child's future lunch purchases. **To set up your Keswick account, just go to www.classlogon.com and follow instructions for first time users.** All returning families with accounts will remain the same. I encourage all families that utilize the lunch accounts to utilize the website to view charges and current balances. You can view the accounts on a daily basis if you wish. **You can also email me with any restrictions that you would like to set.**

To help manage your account, weekly reminders will be emailed to you with your current account balance. You will also receive a reminder notice when your student's account balance begins to run low. *Your student must have a credit balance in his/her account to receive a lunch.(or cash, check brought in that day to put in account?* Charging of lunches against a negative account **will not** be permitted. Pre-payment on account is vital to speed up the line during our hectic serving hours.

- Email any questions, comments or concerns to me at cweldon@tampabay.rr.com , or contact me at 727-687-8788.

Blessings,
Charlton & Betty Weldon
