

Lakeland High School Junior Varsity Tournament
726 Hollingsworth Road, Lakeland, FL 33801

October 1 & 2, 2021

Welcome to the Lakeland High School Junior Varsity tournament.

This year, masks are optional. We are asking that teams bring their own water bottles. We will have coolers full of water for refills. Coaches must make every effort to dispose of all team trash before the next team arrives to the team bench. This will facilitate time management. Chairs and balls will be sprayed with disinfectant in between matches.

Coolers will not be allowed in the gym for space management. However, you may leave them outside. The Harrison picnic area (covered) will be open for teams to eat. Please dispose of all trash in containers.

Wristbands may be purchased for \$15 for the entire tournament or individual day tickets may be purchased for \$10 per day.

Pool A	Pool B

Teams are assigned to line judge, keep score, timer, and libero track. Coaches, please be prepared with players assigned to cover these positions. Lakeland will provide libero and score sheet papers.

Coaches – Please emphasize to your players and parents that if they are not feeling well to please stay home.

The concession stand will be open serving drinks, snacks, hot dogs, and pizza. On Saturday, we will have some breakfast muffins, cinnamon rolls and juices.

Covid measures:

Hand sanitizer will be available to guests and players.

Coaches: Refreshments will be served in our hospitality Room.
